A note from Charlton Campbell's granddaughter:

Hello –

As always, let me begin with a huge THANK YOU for everything you have done to help get my Grandfather to and from dialysis. Without your help, I do not know how we would be able to do it.

Having said that, I am again asking for help in November to get him to and from dialysis. If you have time and would like to help, please log on and sign up for times that are convenient for you. I have included the login information below. If you have already signed up in November, thank you so much for your help.

To access Charlton Campbell's personal CareCalendar site, visit <http://www.CareCalendar.org/logon/8974> and enter the following information in the appropriate spaces:

CALENDAR ID : 8974

SECURITY CODE : 1127

Please note that the week of Thanksgiving his schedule is slightly changed. The dates are right and I believe the times are right. If they change, and you are signed up, I will let you know to make sure that it is still convenient for you.

Also, if you know of someone who would like to help but does not have an email address and/or internet access, they can call me at 919-412-8603 and I can work with them to see if there are any slots open that would be convenient to them.

Health wise, Granddaddy has had a good month. He will need to have surgery soon to have a cataract removed. I am not certain of the date of that yet. Thank you again for everything you have done to help. I really appreciate it.

Have a great day.

Tracy
